Friday Fakes: Reign of the Morons

By Dungeness T.
Bokamper, U.S.
Marshall, retired

My name is Dungeness Teddy Bokamper. I was a United States Marshall out of Austin, Texas for 30 years. In my thirty years in law enforcement, nothing boiled my crabs worse than a moron. I didn't have no tolerance for morons back in the day. I don't got none for them now.

Texas Rangers? They all morons. In my day, they never solved any crimes. They spent all their time in South of the Border Hohouses. When we had a spate of Bigfoot sitings in Downtown Austin, they all ran to their mommies. Walker Texas Ranger my butt cheek. While they cried in momma's lap, I bagged me three Bigfoot pelts.

Well, three cheap gorilla suits. Turned out the starting left side of the Texas Longhorn offensive line had done got drunk and they had a plan to film a Bigfoot hoax and load it up on YouTube. They thought they might could do a trap block on me but they was so toasted they fell all over each other.

Those morons got suspended and Auburn beat Texas 62-7 the very next Saturday. I didn't care. I was an A&M fan.

We need to suspend some morons in the UFO community.

I been lookin in to UFOs and Aliens since 1975. I been told a lot of crackpot stories. Very few of these crackpots were even Christian, much less Republican. Most of them were yawning examples of tommy two-tone morons.

Don't show me your phony I.D. and your forged resume. So you got a mail-order degree. Well, I got a real badge. I'm trained in waterboarding. I can get the truth out of you. Don't try floating your bullfeathers in my face. Miranda rights? Do you read Supreme Court cases?

Cream puff, you ain't got no Miranda rights! You tell me a lie about UFOs and I'll have you boated over that oil slick to Guantanamo!

If you ain't a Republican, you a moron right off the bat in my book. Then you gonna feed me some cock and bull story about yo sister giving birth to a alien baby—awh, hell no, Liberal. You go make ye a little YouTube cartoon and paste it on the Internet for all the little liberal cream puffs to download. I got bigger fish to fry.

And I done fried me some big fish in my time. I'm not just talking Rio Grande catfish.

I throwed Andre the Giant in jail one night. I pulled him over after a sold-out wrastlin match at Texas Stadium. He started giving me some lip. He was cursing me in Russian. That made him a communist. I don't care if you're ten foot tall and a thousand pounds, which Andre very nearly was, if you a communist, you is un-American. In the 1980s, when the Evil Empire was still hoping to nuke freedom into nonexistence, being un-American was a crime. I therefore charged Andre with un-American behavior.

Seems to me a lot more people ought to be locked up for that these days.

Well, Andre wasn't gonna take no capitalist crap. He got me into a half-nelson. I'm six-foot-five. Now, back then, I was at my playing weight: three hunert pounds. Andre threwed me around like I was a toothpick. As fate would have it, that very moment, when I was about to perish from my whomping I was getting from Andre, I had my own personal UFO experience.

A flying saucer appeared out of nowhere and beamed Andre up into their ship. It flew off towards the west and was gone in no time at all. If that hadn't happened, Andre woulda kilt me no doubt about it.

Years later, at a UFO Festival in Roswell, I met up with Andre. He confessed to me that the craft was a Russian foo-fighter. The Ruskies were testing their back-engineered Alien technology on President Reagan's Star Wars weapons. They picked up Andre's biological signature and came to his defense.

I reassured Andre that the statute of limitations had expired on his un-American charges. We became fast friends after that.

That is the kind of hard evidence most morons aren't capable of coming up with. Until we have adequate laws criminalizing morons, the UFO community is going to continue to suffer. And it is not just the UFO community. We got us a moron problem in America. And it ain't going away till we get these idiots thrown in Guantanamo with the rest of the world's morons.

Bruce Duensing said...

I heard tell from a highly placed source in counter-tel which requested anonymity due to his compartmentalization in a mythological agency that really exists that a steroid enraged Andre beat the hell out of a covert agent masked as a seven foot rabbit and Andre was himself a Sasquatch that had been cloned to assist with disclosure of the fact that seven foot rabbits were controlling the lettuce harvest which any good god fearing carnivore knows that the vegetarian agenda is a Communist plot to hide that fact that George Bush is a Martian. Morons don't realize that all of this is self evident if they check into well placed rabbit holes.
